

Editando produto

Para edição de produtos, faremos parecido com a criação, iremos na aba de Catalogo e em Produtos:

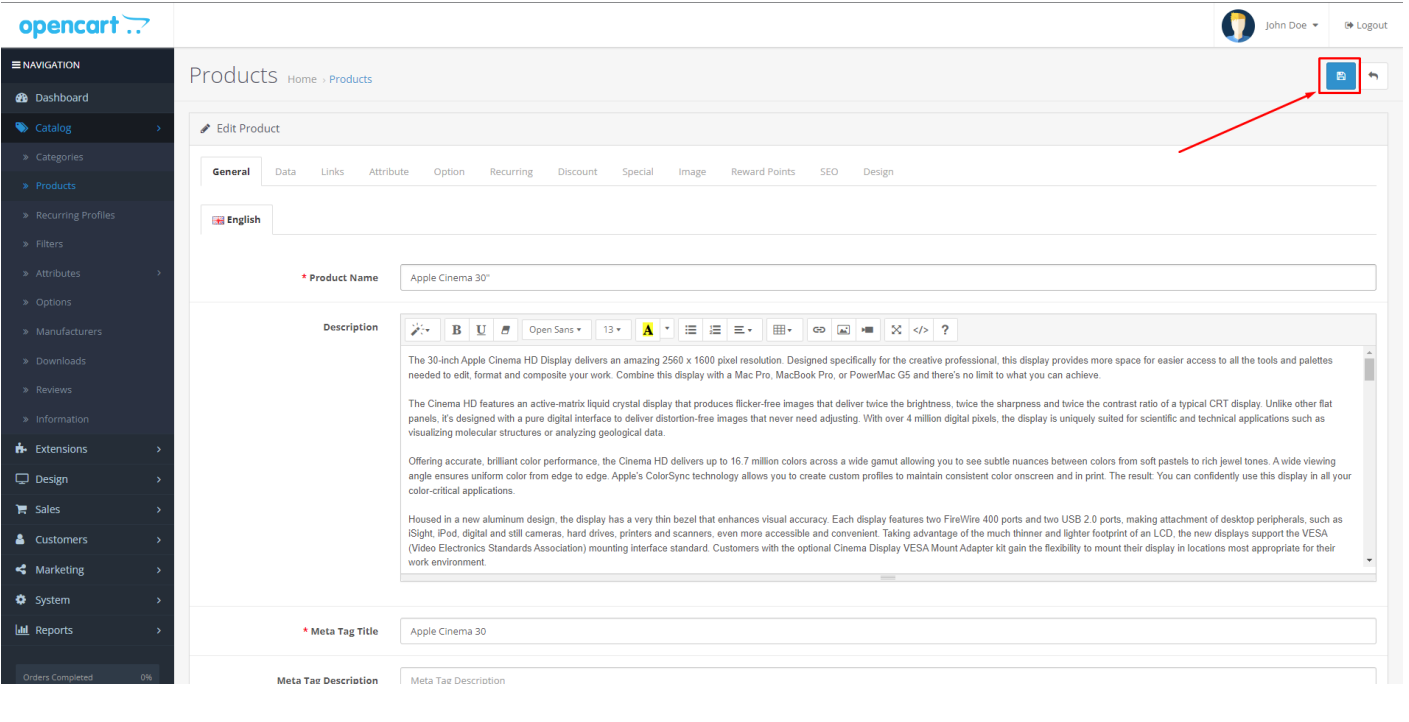

The screenshot shows the OpenCart Dashboard. In the left sidebar, the 'Catalog' menu is expanded, and 'Products' is highlighted with a red box and a red arrow. The main dashboard area displays several summary cards: 'TOTAL ORDERS' with a value of 1, 'TOTAL SALES' with a value of 106, 'TOTAL CUSTOMERS' with a value of 0, and 'PEOPLE ONLINE' with a value of 0. Below these are a 'World Map' and a 'Sales Analytics' chart. At the bottom, there is a 'Recent Activity' section showing 'No results!' and a 'Latest Orders' table with one entry: Order ID 1, Customer 'Almir Teste', Status 'Pending', Date Added '07/07/2022', and Total '\$106.00'.

Em seguida, basta clicar no ícone de lápis (editar):

The screenshot shows the OpenCart 'Products' page. The 'Catalog > Products' path is highlighted in the sidebar. A table lists various products, including 'Apple Cinema 30"', 'Canon EOS 5D', 'HP LP3065', 'HTC Touch HD', 'iMac', 'iPhone', 'iPod Classic', 'iPod Nano', 'iPod Shuffle', and 'iPod Touch'. Each product row has an 'Action' column containing a pencil icon. A red box highlights the pencil icon for the first product, 'Apple Cinema 30"', with a red arrow pointing to it. On the right side of the page, there is a 'Filter' section with input fields for 'Product Name', 'Model', and 'Price', a 'Quantity' field, a 'Status' dropdown menu, and a 'Filter' button.

Após isso, basta realizar as alterações e clicar para salvar após concluído:
